Chapter 1

Barb and Poppy were walking through the forest just outside of Pop Village. They were laying in some daisies, holding hands, looking at the sky. They then looked into each other's eyes. The two of them were about to kiss till a can of cheese was thrown between them. Close to hitting Poppy

They immediately looked where it came from and saw Carol walking over

"Hey Carol! We were just talking." Barb said

"Yeah." Poppy said

Carol glared at Poppy and then looked at Barb with more ease. She wanted Barb all to herself. She wanted Poppy gone, to go away, to vanish.

Barb realized the tension going on between the two of them and let out a light laugh

"Uhh hey! Why don't the three of us go out to eat? You know us with Carol. Carol with us." Barb said, putting her arm around Poppy, hoping to release the tension

"That seems great! What do you think Carol?" Poppy asked

"It seems great!" Carol said with a bit of sarcasm in her voice

Carol and Poppy both stared at each other. Barb started to feel a bit awkward

"Or if not we can always-"

Carol put her arm around Barb

"No! It seems like a great idea to have for us to eat together." Carol said

"Well uhh alright then." Barb said

"Oh! I just remembered that we could go to-"

"Nah! Anywhere you recommend has something to with colors and glitter." Carol said, interrupting Poppy

Barb stood awkwardly inbetween them

"Well why not we go and just go get some pizza or something?" Barb suggested

"That sounds-"

"Amazing." Carol said, once again interrupting Poppy

"I was gonna say glitterific." Poppy said

"You're glitterific." Barb said to Poppy

Poppy giggled. Carol felt a sudden trigger in her body. She wanted Poppy to just leave them alone. Carol wanted Barb to look at her the way she looked at Poppy

"Anyway. Let's get going before it gets late." Barb told them

They both agreed and walked off with Barb

They arrived and immediately went inside. It was kind of full but luckily there was one table left. They went over to it and noticed there was only two chairs

"Oh...well now what?" Barb asked

"Eh Poppy can sit on the floor." Carol said

">:O"

Barb looked around for another chair. She saw one that someone was about to sit it. She grabbed it before he could sit. The kid started to cry

"Oh boohoo! You should've sat in it." Barb said

Barb headed back to Carol and Poppy

"Now we all have chairs." Barb said

She put the chair down beside her for Poppy to sit in. Poppy was about to sit till Carol honestly moved her out of the way. Barb honestly just watched

"👁👄👁"

She took a deep breath then looked at Carol

"Uhh dude. That seat is for Popcorn." Barb told her

Carol looked over at Poppy and just shrugged. Carol sat beside Barb

"It's just a seat. She'll be alright." Carol said

Barb looked at Poppy and shrugged her shoulders

"Uhh next time Poppy. Is that fine?" Barb asked her

"Yeah, it's all good." Poppy said with a sigh, sitting in the seat across them

Barb looked at her. She did want to sit next to Poppy, but Carol kept getting in the way. Barb didn't really mind of course. Carol was her best friend after all. She just felt different. Almost like Carol was a completely different person. What if-

"Barb? You alright?" Carol asked

Barb snapped out of her thinking and looked at her

"Uhh yeah. Guess I just went shutdown" Barb said

"Oh! I thought you died for a second." Carol said joking around

Barb smiled. She then looked at Poppy

"Uhh hey Popcorn! What are you getting?" Barb asked her

"Oh! I was planning on getting like a glitter pizza! With EXTRA glitter and pepperoni. Also candy!" Poppy said with a smile

"You sure you'll be able to eat all that?" Barb asked in a joking manner

"I don't know. You sure you can yours?" Poppy asked in the same attitude

They both smiled at each other. Carol cleared her throat to get them to stop

"ANYWAY!!! Before I barf! What are you getting Babs?" Carol asked

"Oh umm I-I was planning on getting the meat lovers." Barb said

"That Vegan Teacher is shaking in her boots!!" Poppy said

Barb laughed then snorted. Poppy then smiled.

Carol just looked at Poppy. If she wanted Barb to belong to her and nobody else, she had to get rid Poppy. Carol wanted to make Barb laugh the way Poppy did

A couple minutes later their food came and they ate. Barb looked at Poppy

"I actually thought you were joking." Barb said

"What? About glitter pizza?" Poppy asked

"Yeah duh!" Barb said

Poppy gasped playfully and grabbed Barb by her shirt

"I never joke around with glitter pizza." Poppy said

"Maybe we can find something else not to joke about later." Barb said

Poppy smiled

"You guys are disgusting." Carol said

Poppy let go of Barb and they sat back down

"Anyway. You dorks ready to leave?" Carol asked

"Oh! Yeah! I'm ready. What about you Poppy?" Barb asked

"Yeah. I'll just take this with me. Don't we have to pay?" Poppy asked

"That's our little secret. Watch this." Barb said

Barb took a deep breath

"OH GOD!!" She shouted

Everyone looked at her

"Miss are you alright?!" Someone asked

"NO!! I THINK I'M SICK!! AND THE ONLY CURE IS FOR US LEAVE FREE!! WITHOUT PAYING!!" Barb yelled

Everyone began to chatter in a panic

They then left. Barb wiped herself off

"That was nice." She said

"Do you always do that?" Poppy asked

"Yeah. It's kind of fun to not pay." Barb said

"But sometimes it is." Carol said, glaring at Poppy

Barb stood awkwardly between them again fiddling with her fingers

"Well umm you know it's been a long day. Why don't we all just go home? Call it a day." Barb said

"Sounds good." Poppy said

Poppy kissed Barb's cheek

"Bye." Poppy said leaving

"Bye." Barb said back to her

It was quiet for a while till Carol finally spoke

"What do you even see in her?" Carol asked

"Who? Poppy? Well what's not to like about her? She's incredible." Barb said

"I can give you a way better time that Pink Pop Princess!!" Carol told her

Barb's head then jolted up

"Is that why you were acting so weird tonight?!" Barb asked

Barb knew the answer when Carol didn't answer and just stared at her

"Well dude! I'm sorry. I'm with Poppy, and I wouldn't trade her for the world." Barb said

"Goodnight!" Barb said again

Barb walked away from Carol, going back home by herself

"Maybe you won't trade her, but I have other ways to make you mine..." Carol said with a devilish smile

Chapter 2

On Barb's way home, she felt like someone was watching her. She always looked back to check if someone was behind her, but nothing.

Nothing. Nobody. Nothing was there. It made her sort of paranoid. It was already dark, and she was walking to through the forest, alone, on her way back home. It just made worse.

Barb decided to try her best to ignore and just head home so she can just sleep and forget about this super awkward day.

It had been quiet for awhile. Well she was alone of course, it just seemed a little too quiet for Barb's liking. She then heard something break and immediately turned around.

"Uhh alright whoever's out there, this isn't funny. Come out and it won't suck so bad for you." Barb said

Barb then felt someone behind her and suddenly felt something over her face till she just passed out. Only to see a glimpse of someone above her.

About four hours later Barb had woken up in her bed. She looked around and remembered that she wasn't in her room before.

How did she get here?

Barb looked around some more. She got out of bed and went to open her door. Except it was locked

"What in the world?"

She kept moving the doorknob to get it to open. She then heard the knob click from the other side and moved away from the door

Barb then saw Carol behind the door. She was kind of surprised to see her honestly, but then she remembered how weird she was being

"Carol? What am I doing in here? Can I go?!" Barb asked her

"No." Carol answered

"Wha- dude! Poppy's expecting me when the sun comes up. I have to go." Barb said

Barb tried to walk passed her, but Carol grabbed her arm and threw her against the wall, and went close to her face. Their noses almost touching

"You're not allowed to see her anymore." Carol told her

Barb looked at her kind of confused

"What? What are you talking about?" Barb asked

"If you want her to be ok. You have to stay with me. Forever." Carol told her

"What in the world do you mean?" Barb asked

"What I mean is if you want Poppy to not die!! Then well you're gonna have to be with me." Carol said with a smile

Barb stared at her, still trying to understand what she meant. When she finally understood she just looked at the ground

"Fine! Just don't hurt her alright?"

"Yeah. Of course." Carol said

"Ok. Now can I-"

Carol shut her up. She kissed Barb on her lips. Barb didn't like it one bit. She shoved Carol away and stepped away from the wall

"Dude. I said I wouldn't see Poppy anymore for her own safety. I never said anything about this. It just feels wrong!! We're not even a

couple!! MY HEART BELONGS TO POPPY AND HER ONLY!!" Barb told Carol

Carol felt a trigger of anger and frustration kick in. She shoved Barb on the floor and got on top of her

"Well I guess we're gonna have to fix that. Won't we?" Carol said to her

Just then they heard a knock at the door

"Hey Barb." They heard Riff say behind it

Carol and Barb looked at each other then at the door

"Queen Poppy left a uhh letter for you. So if you want you can-"

He heard the door open and saw Carol

"Oh. Carol is Barb in there?" Riff asked

"She's a little busy." Carol said

"Oh. Well can you give this to her?" Riff asked handing her the letter

"Yeah whatever." Carol said

"Oh! And-

Carol close the door in his face. She opened the letter to read it

"Aww isn't that just gross. Poppy wants to go on a date." Carol said with sarcasm

Barb looked at her. She wanted to know why Carol was acting like this. A completely different person. She didn't know who this was. The old Carol was more laid back

"Carol. Just let me go on that with her. Please!" Barb said, standing up

"No! We already talked about this. You belong to me and me only."

Carol said

"I don't belong to anybody!! I'm my own person!" Barb told her

Carol glared at her. If she really was going to make Barb hers. She had to get rid of Poppy. That was the only way

Carol snarled and walked to the door

"W-where are you going?!" Barb asked her

Carol didn't answer and just left the room. Locking the door

Barb looked at the door and just fell to the ground. She looked at her window, and got an idea. She looked at her door for a quick second then ran to her window and looked down

"I wouldn't die from way up here, would I?" Barb asked herself

It was the only way to check on Poppy. To tell her what's going on, but for once she was scared. Barb kept fighting herself to jump but her body just said no

Chapter 3

Meanwhile with Poppy. She was making a scrapbook and seriously covering it in glitter and stickers. She heard a knock at her door. It kind of confused her. It was 1 in the morning!

"Who's here this late?" Poppy asked herself

She got out of her room and went to the door to open it. Once she opened it she saw Barb in so much pain, limping

"Barb?! Oh god!! What happened to you?!!" Poppy asked

"I jumped out of my window. Oh god..."

"Why did you do that?!" Poppy asked again

"I had to warn you about Carol!! I couldn't have her hurt you." Barb said

Barb fell into Poppy's arms

"Hey! Hey! It's ok. Let's get you inside." Poppy said

Poppy helped her get inside and closed the door making sure it was locked.

Poppy gave Barb a drink. She noticed that Barb was shaking real bad. Poppy sat next to her for comfort

"What happened while you were going home?" Poppy asked

"I...I don't know. I was walking and then I woke up in my bed. Then Carol was acting different." Barb said

"She has been acting real different." Poppy noted

Barb nodded in agreement with a sigh

"I think I twisted something when I jumped out of my window." Barb added

"Why did you jump? Isn't your window super high off the ground?! You could've died!" Poppy said

"I had to!! Carol was acting very suspicious when you asked to go on that date!! I didn't want her to kill you Pop-Squeak!!" Barb told her

"Well what are we going to do?" Poppy asked

"Can I stay here? Please? I don't want to be around her right now." Barb said

"Of course you can. You're always welcomed here." Poppy said with a smile

Barb looked at her and smiled

"D-do you need help walking? I don't want you to put too much pressure on your leg?" Poppy said

"I'll be fine." Barb said

"No!" Poppy said

Poppy held Barb in her hair

"I'll carry you." Poppy said again

Barb's face turned red with blush

"WHY IS YOUR HAIR SO SOFT?!" Barb asked her

"I brush it! For ten whole minutes!" Poppy said, dramatically

Barb smiled. She loved the way that Poppy made her feel inside. Poppy made her feel safe, secure, happy.

They went into Poppy's room. Poppy carefully placed Barb on her bed and let her go. They sat beside each other. Poppy then thought about before. When Barb said Carol was going to hurt her

"What did you mean when you said Carol was going to hurt me?" Poppy asked

Barb stopped smiling and looked away, anxiously

"Hey, hey. It's ok. You can tell me anything Barb. Just tell me." Poppy said

"She- she's jealous. She wants to be with me. She want to own me. Carol even kissed me earlier. I didn't enjoy it Poppy! It was disgusting." Barb told her

"And she wants me out of the picture...." Poppy said

Barb slowly nodded

"Well the doors locked. She won't be able to get in right?" Poppy asked

"She shouldn't be able to. But still! She kind of freaked me out earlier." Barb said

Poppy put her hand on Barb's cheek. Barb held her hand

"She won't hurt you ok? You're safe here." Poppy said

Barb nodded to show she understood. Poppy helped her in bed to sleep. Poppy laid beside her as they both drifted off to sleep

---

The two woke up to a loud bang in the kitchen. They both looked at each other, worried. Poppy got out of bed and went to check. Barb grabbed her hand to prevent her from leaving

"Barb. It'll be ok. Stay in here." Poppy said removing Barbs hand

"Poppy no..." Barb reach her hand towards her

Poppy looked out of her room towards the kitchen. It got quiet real quick. Poppy walked to the kitchen but didn't see anything or anyone. She shrugged it off as she thought a raccoon could've

gotten in somehow

Poppy returned to her room and saw Barb under the blanket really anxious and scared

"Hey it'll be ok. Ok? Nothings coming. Nobody's here." Poppy said to Barb

Barb then looked behind Poppy to see a figure standing just outside of her doorway...

Chapter 4

Poppy noticed the expression on Barb's face and turned around. She looked and saw Carol standing right there. Clear as day- or night. Poppy looked at her clock, it was almost 3 in the morning. Why was she here? Poppy then remembered how terrified Barb was before, and that same fear was there

Poppy cleared her throat

"Uhh Carol. It's really late. Shouldn't you go home and rest?" Poppy asked

Carol didn't respond. She just looked at Poppy as she pulled something out from her back

Barb looked and saw a knife and reached for Poppy's hand

"Hey uhh Pop-Squeak. We should go." Barb said

Poppy looked at Barb and saw the blade in Carols hand. She reached for Barb but then noticed that Carol was blocking the only exit. Barb looked at Poppy's window

"Poppy. Let's go out your window." Barb whispered

"What? No! You'll twist your ankle for sure." Poppy whispered back

"MAKE A PARACHUTE WITH YOUR-"

Barb shut up as Carol looked at them both

"Ohhh trying to leave? So soon? Oh that's too bad." Carol said

Carol threw the knife at Poppy. Poppy immediately jumped to the left into her dresser as it missed. Carol took the knife out of the wall. She went on top of Poppy and pointed the knife at her throat

Barb jumped on Carol to try and stop her, but Carol held her back

with her other hand

"You know this could've all been avoided if you both just stayed away from each other." Carol told them both

Poppy reached for one of her scrapbooks. She opened it as glitter sprayed at Carol. Carol was blinded by the glitter

Poppy quickly grabbed Barb's hand and ran to Branch's bunker

Branch was sleeping and woke up to loud banging above. He sighed and went up. He saw Poppy and Barb scared half to death

"Whoa, whoa. Girls. What's wrong?" Branch asked them

"Let us stay here Branch. Please!" Poppy told him

Branch looked at them. He saw them trembling bad. He sighed

"Fine. Come inside." Branch said

They went into his bunker. Branch led them both to a spare room

"Now what's going on?" Branch asked them

"Uhh-"

"I'll speak for you Barb. You've gone through a lot today." Poppy said

She looked at Branch

"Carol is after us. She's trying to kill me Branch. Just to have Barb to herself. Let her at least stay here." Poppy said

Branch looked at Barb and honestly started to feel a little bad about what she was going through

"Alright. Fine. She can stay." Branch said

"Thanks Branch." Poppy said

Poppy gave a hug. Branch returned it. Just then two other Trolls came out of the bathroom. The three of them looked to see Hickory and Trollex

"Guys!!" Branch said

"Oh! Hi Branch." Trollex waved

"You said you would wait!" Branch said

"You were taking too long." Hickory said

"So! We started without you." Trollex said

"Started what?" Barb asked

"Oh! We started-"

Hickory covered his mouth

"Monopoly. We started monopoly." Hickory said

"In the bathroom?" Poppy asked

"YES!! In the bathroom!" Branch said

"But Hickory's sau-"

Branch and Hickory covered Trollex's mouth

"👁👄👁"

Poppy and Barb just stared. Barb finally realized

"Ohhhh. You guys are disgusting." Barb said

They all smiled. Trollex removed both Branch and Hickory's hands

"So what are they doing here?" Trollex asked

"Carol is after us. So Branch said we could stay." Poppy answered

"Yeah." Branch said standing proud

"How did you escape?" Hickory asked

"One word! Glitter." Poppy said

Trollex gasped dramatically. Just then the power in Branch's bunker was cut off

"What in the?" Branch said out loud

Branch went to his power box but all the switches were turned on. He looked at the wires and saw one of them cut

"Who did this?" Branch asked them

They all shrugged not knowing the answer. Well maybe Poppy and Barb did. They both looked at each other. Poppy held Barb's hand to try and calm her down

They heard something in the vents. Branch was confused of how they were getting through. But then he remembered the power was out and stuck his hand out to protect his friends. Hickory did the same

"We'll meet again." They heard someone sing

"Don't know where, don't know when!" The person sang

Barb hid behind Poppy for protection. Poppy was honestly ready to attack

"Oh I know we'll meet again, some sunny day!!" The person sang

They popped their head through the vent as it was revealed to be Carol

"AHHHHH!!" The Trolls screamed

"How did you?!" Branch asked

"Oh it was honestly a little too easy. If your powers out it's almost easy to get around here." Carol said

She came out of the vents and got her head out of it then walked

over to them. Branch and Hickory immediately got in front of the others so that Carol couldn't approach them

Carol looked at them both and then at Barb. A smile spread across her face. It freaked Barb out, a lot. Branch and the others noticed

"Carol, you need to go. Now." Branch told her

"I'll take Barb and go." Carol said

"No way!" Trollex said

"She feels SO unsafe with you." Poppy said, putting her arms around Barb

Carol shoved Branch and Hickory out of the way and went over to Poppy and Barb

"I should just finish you right now." Carol told Poppy

They stared at each other for the longest time. That is until Poppy felt a sharp pain in her stomach. She looked down and saw the knife from before sticking right into her. Poppy looked at Carol again and saw her smiling, she looked horrifying

Poppy fell to the floor. Everyone watched in horror. Barb fell to Poppy's side to see if she was ok. Except Poppy. She wasn't breathing. Barb felt tears form into her eyes. Branch, Trollex, and Hickory stood there, unable to move from how horrified they were

Carol was smiling maliciously. She grabbed Barb by her wrist as the two of them left. Barb hated it. She wanted to stay with Poppy, she wanted to be with her, she didn't want to be with Carol. She didn't even know who Carol was anymore

Chapger 5

Carol and Barb arrived back to Volcano Rock City. Carol threw Barb against the wall and put her arms on the wall, surrounding Barb, a kabedon. The two looked into each other's eyes. Carol had extremely naughty thoughts, while Barb just wanted to get away. She didn't feel safe

"I'm so sorry I acted that way Barb. I didn't want it to go that far." Carol said

Barb didn't say anything and just stared at the floor below them both. Carol put her hand on her cheek for Barb to look at her. Barb honestly felt like crying

"It won't happen again ok? I swear it won't. It just happened! I-"

"You killed Poppy... There's no point in promising. You'll do it again..." Barb said, looking away

Carols expression changed

"Fine. Guess I should pay your dad a visit." Carol said, walking away

Barb looked at her in shock. First Poppy and now her dad?! Who's next?

"Carol! Wait leave him alone!! He has no part in this!" Barb told her

Carol stopped walking and turned her head to look at her

"So you'll do what I want?" Carol asked

"ANYTHING!! Just leave him alone.." Barb said

Carol fully turned around and looked at her and smiled

"Anything?"

"YES!!" Barb told her

Carol walked back over to Barb, grabbing her hand gently

"So you'll do...anything I want?"

"Yes! Just leave my dad out of this! Please Carol!"

"Well....ok." Carol said with a smile

Carol put her hand into Barb's shorts. Barb immediately got goosebumps. She took Carol's hand out

"W-What are you doing?" Barb asked

"You said I could do anything I want. And I'm taking that." Carol said

Barb felt her face get hot

"Oh uhh- I-I uhh-"

Why was she getting like this?! Didn't Carol just kill the love of her life and tried to hurt her father? Why was Barb getting all flustered and why did she want Carol to touch her?!

"Let me take that pain away." Carol said, whispering in Barb's ear

Barb looked at her. Carol held both of Barb's hands and pinned them both to the wall, making her unable to move them. Carol licked her lips and looked into Barb's eyes

"I'll make you feel good." Carol said

Barb's face turned red again as she felt Carol sucking on her neck. Her entire body shivered in response

The two of them fell on the bed with Carol on top. The two of them had a make out session. Barb honestly didn't like any of it. She didn't have any feelings for Carol. She just wanted her dad to be safe. And if doing this with Carol was to keep him safe, then so be it

Carol once again put her hand into Barb's shorts. She tried to pull

them off to see more, but Barb held her hand in that one spot to try and stop her

Carol seemed to have not gotten the message as she was then pulling down Barb's shorts. There she saw a bunch of scars. It worried her, but at the same time angered her

"What did you do?" Carol asked, breaking the silence

"I-I-I-I...." Barb didn't know how to answer

Carol didn't want to know the answer. She already knew it, and she didn't like it one bit. Carol then took off Barb's underwear

She then stuck her finger into Barb very sudden. It made Barb flinch. Carol thrusted her fingers into Barb. Barb tried her best to keep quiet, and tried not to let a sound escape

Carol lifted Barb's shirt and licked her stomach. The two of them held hands, Barb clenched her other hand and gripped onto the blankets to ease the sounds she was trying so hard to fight

Carol dug her fingers deeper into Barb, making her sweat. Just then Carol took her fingers out of Barb and leaned into her pussy and began to lick all in there. Barb got tingly.

She suddenly felt a sudden shock, Carol was all in there already, eating the life out of her. Barb hated it. She wanted to be doing this with Poppy. But here she was, doing it. With none other then Carol.

Barb then felt a tiny tingle go up her spine and it only got worse. Carol found it. She found it and she was going at it with no mercy. Barb couldn't help herself anymore

She let out a moan. Carol moves her eyes up and smiled

"You like that Barbie?" Carol asked

Barb couldn't respond. She was biting her lip. Carol went on top of Barb and began sucking her neck. Barb tried not to let out another sound. No matter how good it felt on her. Carol stopped and looked at Barb's shirt

"Why don't we take this off." Carol said, lifting up Barb's shirt

Barb held her hand down just below her shirt to stop her from pulling it off. Carol looked at Barb and saw how uncomfortable she was with Carol trying to remove her shirt

"What's wrong Babs? Got something to hide?" Carol asked in a tease

"I-I-I just don't want to take my shirt off." Barb told her

"That's not a good enough excuse." Carol told her

Barb looked at her in a plead. Carol didn't care, she put her head under Barb shirt. She saw her breast and couldn't help herself. She removed the bra and began to rub them. She felt Barb move her leg up a bit. Carol licked Barb's chest and went up. She felt Barb shift her body

Carol wanted to get under Barb so bad. She got out of her shirt and saw Barb sweating. Carol smiled in satisfaction and licked her lips. She licked Barb's cheek one final time before falling on the side of the bed

Barb looked away from her and covered herself up in the blanket. She hated everything that just happened, she wished it was Poppy doing all that stuff with her. Not Carol. It broke Barb mentally, she hated everything.

Carol rolled over to cuddle with Barb as the two of them drifted off to sleep

AHHHHH!! That was my first time doing a lemon! I'm SO SORRY if it was terrible! I'm used to just the kissing and crap. I didn't mean for it to be stupid! Uhh anyway yeah!

Chapter 6

Barb awoke the next morning around 12:30. She looked beside her and didn't see Carol there. Was it all a dream? A nightmare? Was Poppy ok? She got out of bed and felt a pain. She couldn't even stand straight

Barb managed to reclaim her balance. She saw her shorts on the floor. She could've sworn she had them on, and just put them back on

Barb went to her bathroom and decided to at least make an attempt. She had so much crap to do. Barb looked at her mirror and saw something on her neck. She went closer to the mirror to get a closer look till she finally realized what it was. A hickey. Right on her neck. It shocked her. She couldn't even remember last night. Only bits and pieces

Barb heard something and looked out of the bathroom to see Debbie. She quickly ran and gave her bat a hug

"Oh Debbie! Thank god you're ok!! Oh uhh- have you eaten? Has Riff or dad fed you?" Barb asked her bat

Debbie looked at her and shook her head

"Uhh ok. Let's go find you something." Barb said

They both left the room to find some crickets or something. Luckily Barb had some and fed Debbie. Barb sat a table and just stared at it. She felt empty, broken, disgusting. She heard someone beside her and looked to see Riff

"Oh! It's you Riff. I thought you were Carol." Barb said

"Why are you so jumpy about her?" Riff asked

Barb remembered last night and what Carol had done to her. She didn't want to think or talk about it

"It...doesn't matter." Barb said, she laid her head on the table

Riff looked at her. Barb was hiding something; he knew she was.

"What did she do?" Riff asked, trying to break the silence in the room

Barb really wanted to share, but she was scared of what Carol would do if she found out

"I can't say." Barb said

"Did she hurt you?" Riff asked

Barb didn't say anything. Riff took that chance to just walk away. He didn't want to make her uncomfortable

Barb watched him leave. She sighed and just went back to her room. Barb just laid back on her bed. She hadn't seen Carol all day. It made her very anxious. Barb wanted this nightmare to be over, but what could she do?

She then began to think. She couldn't be hurt if she wasn't around. She could be with Poppy. Barb didn't have to deal with this. She liked the idea but at the same hated it. She couldn't just leave her dad and Debbie behind. Who knows what Carol would do if she did

Barb decided to just stop acting like this and just at least try to convince Carol to just stop

Just as she was thinking, Barb heard her door open and saw Carol enter

"Oh. You're awake. How long have you been up?" Carol asked

"...not long.." Barb said, looking away from her

Carol went and sat beside her

"Hey uhh look. I didn't mean to hurt you ok? I just acted with thinking things through. If I could take it back I could." Carol said

"You already did it. It doesn't matter." Barb said

Carol scooted closer to Barb. Barb noticed and got a bit freaked out as she moved away. Carol scooted back to try and calm her down, but she noticed that Barb was lightly shaking. She knew why. And she wanted to fix it

"Hey, it's ok. I won't hurt you again. Ok? You can trust me Barb." Carol said

Barb looked at her. Her hands were shaking like crazy. Carol grabbed her hands and rubbed them softly to ease down her panic and anxiety.

Carol looked at her. She hated how she made Barb feel. Terrified, anxious, unsafe. She wanted to start over. She wanted Barb to be comfortable around her and she had an idea of how to do it

Chalter 7

Barb and Carol stared at each other for what felt like hours. Barb broke the stares and turned away from her. Carol reached her hand out. She noticed Barb slightly flinch. Carol put her hand back down

"Umm hey! Why don't we go to that fair Smidge is having?" Carol asked

"What's the point?" Barb asked turning away

Carol looked at her. She wanted to get back on Barbs good side. She sighed

"How about this? We go and I swear nothing else will happen." Carol said

Barb looked at her

"……you promise?" Barb asked

"I swear on my life." Carol said again

Barb sighed and hesitatingly took her hand. The two walked out of the room

---

The walked around the woods for honestly what felt like hours. Barb had an uneasy, uncomfortable feeling growing in her chest. Barb took her hand back from Carol and took a step back

"Uhh dude? The thing is that way." Barb said pointing behind them

Carol stopped walking and turned to look at her

"Oh! Looks like it is. This is a shortcut come on!" Carol said

Barb began to grow even more uncomfortable. Her hands were

sweating and they were shaking

"Why don't we just go-"

Barb felt her arm get grabbed. She turned around and saw Carol gripping onto her

"Wha- dude! Let go!" Barb said, trying to get arm away

"You're not going there by yourself!! YOU HAVE TO STAY WITH ME!!" Carol told her

"NO I DON'T!!! YOU'RE NOT MOM!!" Barb said

Barb pushed Carol away and ran away from her to Smidges fair

Smidge was walking with a group of Trolls showing then around her fair and giving out hints to win the prizes. They then heard Cooper

"Hey! I think see someone-"

"MOVE IT YOU GIRAFFE THING!!" Barb said

She ran over Cooper

"DANG SHE FAST!!" Cooper said

Smidge looked at Barb

"What's wrong?" Smidge asked

"Uhh-"

"I know what's wrong." Branch said from the darkness

He came out of a tree. Everyone looked at him

"You're here so-"

Barb covered his mouth

"Can I just stay in your bunker for tonight?!" Barb asked

"Last time you did things happened. It won't happen again." Branch said

"PLEASE!!!" Barb pleaded

Branch looked at Barb. She never said "please" this must've urgent. Branch sighed and took another look at Barb

"Fine. Fine. You can stay. Five days tops!" Branch said

"Sweet! You won't even know I'm there!" Barb told him

"Sure I won't." Branch said, rolling his eyes playfully

He then remembered Hickory and Trollex

"Oh! Try not be too loud Hickory and Troll-"

"Yeah, yeah I know. I won't interrupt your little threesome." Barb said

"Then let's go. It's well hidden this time and I've improved the security. I made a bunker in the bunker." Branch said

"That sentence made no sense." Barb said

"Anyway! It's well hidden so you'll be safe." Branch said

"Thanks dude." Barb said

Branch smiled. The two headed to Branch's bunker. Branch and her entered the bunker and heard noises. They entered Trollex and Hickory's room and saw them playing a game

"OH SHOOT!!! I thought something else was happening!!" Branch said

"We're just playing Smash Bros." Trollex said

"Emphasis on the smash." Barb said

"BARB!!!" Branch shouted

"Alright! Sorry Bro Bro! Where's your bunker in the bunker?" Barb asked

"We're standing right above it." Branch said

Barb looked at him confused. Branch presses a button on the floor and it brought them down

"Uhh yeah! There's enough supplies to last down here for an average Troll almost 10 years. At most. If you don't waste everything so quick." Branch said

Barb looked at the jars

"Uhh dude. That's sweat I'm not drinking that." Barb said

"Oh! I'm sorry. I thought you wanted to stay away from Carol. The only way to do that is to drink the sweat." Branch said

"Fine! Fine I'll-"

"Oh Barb! I filled up those jars of sweat with fresh water for you!" Trollex said

"Oh sweet! Thanks dude!" Barb said

"Yup!" Trollex smiled

"You'll be ok down here?" Branch asked

"Yeah. Yeah I'll be fine. Just go and do your stuff in threesome. I'll be fine down here." Barb said

"Ok. There's food in the back of you get hungry." Branch said

Branch went back up as it closed. Barb watched him leave and sighed. She sat on the bed in the corner and tried to take a nap to get her mind off of Carol

Chapter 8

Barb woke up she looked at the time and saw that it was already 4 in the morning. Did she really sleep all day? She just took a two hour nap. How did a nap become a full slumber?

She was so thrilled that she finally got away from Carol. But....she felt....empty. She wasn't hungry, she wasn't thirsty. She just felt...empty.

Barb looked down at the bed for the longest time. What Carol did really stuck with her. She watched Poppy get killed right in front of her, and then she just played with Carol. Like a little toy.

She hated it. Barb hated being around Carol, she couldn't even stand her. She hated everything about her. She couldn't stand her name, she couldn't stand her voice. Barb just wanted to get away from it all.

Barb then heard someone wake up and looked at the ceiling. Then she heard a voice

"AHHHHHHH!!" The voice screamed

She assumed Branch fell on the floor. And she was right. The floor above her shook.

Barb sighed and sat on floor. Putting her hands over her face. She heard Branch come down

"Hey! I made break-"

Branch saw Barb on the floor. He put out the plate down and went to sit beside her

"You ok?" Branch asked

Barb wiped her nose and looked at him

"I-I don't know. I really want to attempt something today, but Carol keeps playing in my head on repeat. Like a virus!" Barb said

Branch looked shocked. Now he knew why Barb was so terrified when she came back to Pop Village

"What...did she do?" Branch asked

"She treated me like a toy dude! It hurt so bad! I hated everything about it!" Barb told him

Branch heard a crack in her voice. He saw Barb pull on her hair. Branch grabbed her hands and looked at her reassuring

"Hey, hey. It'll be ok. She can't reach you down here." Branch said with a smile

Barb didn't smile at him. She just turned away. Branch picked up his hand. Barb slightly move back

Branch looked at her then at his hand

"Did she hit you?" Branch said

"N-no. But she throws me onto a wall." Barb answered

Branch put his hand down and sighed

"You'll never be hurt down here. You're safe here." Branch said

Barb looked at him

"Do you trust me?" Branch asked

He held out his hand

Barb looked at it. She was very hesitant, but this was Branch. He wouldn't dare hurt anyone. Even if he wanted to. Barb sighed and took his hand

Branch smiled reassuringly

"One, two. One, two, three, four." Branch said, he began to sing

Barb looked at him as they appeared in some other place. Branch appeared out of the ground

"Some love is just a lie of the heart. The cold remains of what began. With a passionate start." Branch sang

"And they may not want it to end. But it will, it's just a question of when." Branch sang

"I've lived long enough to have learned." Branch sang

He was replaced with Carol

"The closer you get to the fire. The more you get burned!" He sang

Branch ran through Carol as she faded away

"But that won't happen to you. Because it's always been, a matter of trust!" Branch sang

He took her hand and ran off with her

"I know you're a very stubborn girl. It took a lot for you to not...lose your faith in this world." Branch sang

Barb looked away. Branch put a hand on her cheek for her to look at him

"But I can't offer you proof. But you're gonna face, a moment of truth." Branch sang

They appeared in Volcano Rock City where Carol was. Barb felt an instant fear. Branch looked at her. He put his hand on her shoulder

"It's hard when you're always afraid. You just recover. When another belief is betrayed." Branch sang

"So break whatever if you must. It's a matter of trust." Branch sang

They appeared back in the bright room

"You can't go the distance. With too much resistance." Branch sang

He looked at Barb and saw her looking at the ground

"I know you have doubts." He sang

"But for God's sake don't shut me out." Branch sang

"This time you've got nothing to lose. You can take it, you can leave it." Branch sang

Barb looked at him again

"Whatever you choose. I won't hold back anything. And I'll walk away a fool or a friend." Branch sang, he smiled

"Some love is just a lie of the mind. It's make believe until it's only a matter of time." Branch dang

Barb knew he was talking about Carol

"And some might have learned to adjust. But then it never was a matter of trust." Branch sang

"I'm sure you're aware love.We've both had our share of Believing too long. When the whole situation was wrong." Branch sang

"Some love is just a lie of the soul. A constant battle. For the ultimate state of control." Branch sang

"After you've heard lie upon lie. There can hardly be a question of why." He sang

"Some love is just a lie of the heart. The cold remains of what began. With a passionate start." Branch sang

"But that can't happen to you.Because it's always been...." Branch sang

"A matter of trust." Branch and Barb sang

The two smiled

"It's a matter of trust." Branch sang

"It's always been a matter of trust." He sang

"It's a matter of trust." Branch sang

"Cause it's always been, a matter of trust." Branch sang

They appeared back in the bunker. Barb looked at Branch with a smile

"Thanks Branch. That....means a lot." Barb said

Branch smiled

"Anytime." Branch said

He walked off. Branch stopped and looked at Barb

"If you want to come up. You're always welcomed." Branch said

"Oh! Make sure you eat something." Branch said

"Bye Branch." Barb said

"Oh and-"

"BYE BRANCH!!" Barb said again

"Oh alright! Bye!" Branch said

He went back up

Barb watched him leave. She looked at the food that Branch had left. She decided that she would at least eat something. She hadn't eaten anything for a whole day. So Barb decided to block Carol out of her mind and eat something

Chapter 9

Meanwhile Riff was peacefully sitting at a table till he heard a loud bang. He jumped. It scared him. Riff felt his heart pound. Riff decided to go check it out. There he saw Carol on the floor

"Whoa, whoa. Carol! What happened?" Riff asked her

"THAT UNGRATEFUL LITTLE- SHE LITERALLY DITCHED ME!!!" Carol yelled

"Who?!" Riff asked again

"BARB!!!" Carol answered

"What did she do?" Riff asked

"SHE LEFT IN THE MIDDLE OF THAT FOREST ALL ALONE!!" Carol said

Carol clenched her fists

"When I get my hands on her I'm gonna-"

Riff grabbed her hands

"Ok! Let's not get too hasty. I'm sure Barb will come on her own!" Riff said with a smile

Carol glared at him. Riff stopped smiling

"...or something."

"Yeah whatever. I'm sure she'll be walking through that door any minute." Carol said with sarcasm

The door opened

"WHAT THE WHAT?!!"

It was Sid

"Uhhh Riff. I like uhh got you these and whatever. So like you can have them I guess dude." Sid said

It was a new pair of drumsticks

"Thanks! Oh have you seen Barb?" Riff asked

"Not since she left." Sid answered

Carol pinned Sid against a wall

"WHERE IS SHE?!!" Carol asked

"I-I don't man." Sid said

Carol then suddenly let him go and looked at the ground. She knew exactly where Barb was. Carol walked away

"Where are you going?" Riff asked

"To get Barb!" Carol said

"You know where she is?" Riff asked

"Positive." Carol answered

Both Riff and Sid watched Carol walk away and looked at each other worried

---

Branch, Trollex, and Hickory were playing a board game. Branch rolled the die

"HAH A SIX!!" Branch smiled

"Awww man.." Trollex's head flopped on the table

Hickory patted his back

Just then the three heard Barb come up. They all looked at each

other. Branch smiled

"You seem to be feeling better." Branch said

"Yeah? I guess our little chat kind of got through to me." Barb said

"I'm glad." Branch said

"What were you talking about?" Trollex asked

"Oh uhh-"

"Trollex! It ain't nice to but into others business." Hickory said

"Oh. Sorry." Trollex said

"No it's fine Trollex. Can I?" Branch asked

"I don't care." Barb said

Branch nodded. He looked at Trollex and Hickory

"Well Barb has been going through a lot. With Poppy getting killed and her stuff with Carol. I guess she's lost." Branch said

"What stuff with Carol?" Hickory

"Umm well she puts her hands on her. She treats Barb like a toy." Branch explained

He looked at Barb

"That's what you said right?" Branch asked

Barb slightly nodded

"Oh man. That sucks." Trollex said

"Yeah. I can't imagine that." Hickory said

"But hey! You're here with us now! Nothing bad will happen to you ever again!" Trollex said with a smile

Barb looked at him and smiled

Branch felt something in his hair. He took Gary out from his hair. Branch read the label that was showing on Gary. Branch then turned on the cameras and saw Carol right outside above them

"Uhhh guys?" Branch called

They looked at him. Branch showed the three the footage of Carol on Gary. Trollex and Hickory gasped. Barb was panicking. Hickory put his arm around her for comfort

"YOU SAID THIS PLACE WAS SECURE!!" Barb yelled

"I-I could've sworn! After Poppy I-I made sure to barricade everything!" Branch said

"WELL YOU DIDN'T DO A GOOD JOB!!" Barb yelled

They saw the mat fall on the floor just in front of them. There they saw sleeping gas fall on the ground. The four then passed out

Carol came inside the bunker. There she saw Barb on the floor and picked her up. She looked back at Branch, Hickory, and Trollex

Carol decided to not waste her time on them. She just decided to leave with Barb and leave it at that..

Chapter 10

Barb woke up and turned her head and saw Carol. Barb squirmed to try and get away, but Carols grip was to strong.

They arrived back home. Carol went inside of a little shed. She dropped Barb on the floor and locked the door. Barb scooted away from her

"I try to do something nice. I try to take you somewhere. I TRY to at least UNDERSTAND YOU!! AND I TRY TO GET BACK ON YOUR GOOD SIDE!! But you left me." Carol said

"Carol, dude, I-I'm sorry. It won't happen again.." Barb said

Carol didn't listen and slapped her. She grabbed Barb by her shirt and pulled her close to her face

"Yeah, you're right. It won't. Because I'm gonna teach you a lesson." Carol said

Carol licked her lips. Barb tried to get out of her grip. Carol threw Barb on the floor and got on top of her. Barb tried to get her off but Carol was too strong

"Carol please. I don't want this." Barb told her

Carol didn't respond and ripped Barbs shirt off. She ignored Barbs little cries for her to stop. Carol pulled Barb closer to her, looking at her everywhere

"You look good." Carol comment

Barb felt a shiver run up her back. She felt very uncomfortable. She just wanted to go back to Branch, Hickory, and Trollex.

"You asked for this Barb. You left and now you're getting what you deserve." Carol told her

Barb felt an immediate fear. She didn't like what Carol had become. It scared her. She just wanted this all to end

Carol grabbed Barb's mohawk and brought her close. Carol bit her lip. Carol put her hand inside of Barb's shorts and stuck two fingers inside of her. Barb tried to get away, but Carol held onto her arms tight. She wouldn't allow Barb to get away

Carol pulled Barb close to her. Carol stared straight into her eyes. They heard the door open. There they saw both Sid and Riff

"A-are we interrupting something?" Riff asked

"Yes! Now go away!" Carol said

"That's like not cool dude." Sid said

Barb stayed quiet. She didn't want to get Carol even more mad at her. Riff noticed the uneasy look on Barbs face

"I-I think we're gonna take Barb and go." Riff said

"WHAT?!" Carol asked

Barb felt an intense feeling of joy, but Carol? Oh man! She was so mad

"YOU'RE NOT TAKING HER!! SHE'S MINE!!" Carol yelled

She gripped onto Barb's arm tighter

"She doesn't belong to anyone. She's her own person man." Sid said

Carol didn't listen

"Lets just. Lets let Barb decide." Riff said

"Barb what do you want?" Sid ask

"Umm.."

Barb looked at Carol and felt a panic. Barb then looked at Sid and Riff and felt more ease

"Umm.. I-I guess-"

"Better pick the right answer.." Carol said giving her a glare

Barb felt another panic

"Uhh I-I-I-I...I guess S-Sid and Riff." Barb answered

"WHAT DID YOU SAY?!!" Carol asked, tightening her grip

"Oh uhh I umm-"

Barb felt so much panic and anxiety rising. Sid removed Barb from Carol. They left the shed. Sid noticed Barb didn't have her shirt on

"Uhh hey Barb." Sid suddenly said

Barb and Riff looked at him. Sid took off his leather vest and handed it to Barb

"You're a bit exposed." Sid said

"Oh. Thanks man." Barb said

Barb put the vest on, looking at the ground. Riff and Sid both noticed how down she was

"Umm Barb? You ok?" Riff asked

"Uhh- yeah! I'm ok." Barb said

Barb obviously lied. She was honestly giving up everything. She didn't feel no self worth. She just felt like.... a burden. No matter where she would go. Everyone was always there helping. Barb hated that feeling. What if she.....

What if she disappeared?

Chapter 11

The three continued to walk. Sid and Riff were chatting in front of Barb as she followed them. They kept looking back at her. It made Barb a little uneasy

Just great. She couldn't even trust her friends anymore

"I think Barb should stay with you." Riff said

"Yeah that's a good idea. Carol never comes to me. It would be safer." Sid said

Riff nodded to agree. They stopped walking

"Hey Barb, uhh you'll stay with me. Is that alright?" Sid asked

"Anywhere is better than being with Carol." Barb said

Sid and Riff noticed that she gave no emotion when she talked. It worried them. They both looked at each other nervously

"Well great. Let's go then." Sid said

The two left as Riff went home

"What's been going on?" Sid asked

Barb didn't want to answer. She just stayed quiet

"Both you and Carol were so close when we were kids. What happened to that?" Sid asked

"Well gosh hmmm gee I don't know! Maybe because she's TURNED INTO A TOTALLY DIFFERENT PERSON SINCE ME AND POP-SQUEAK STARTED DATING!!" Barb yelled

Barb's expression changed. She missed Poppy so much. Barb fell to the ground. Sid quickly went to her side to at least try to help. Sid

noticed tears coming out of his queens eyes

"Barb? You're crying.." Sid said

"I just- I don't know what to do Sid. I-I miss Poppy so much I- it's my fault she got killed!" Barb told him

Sid looked at her in a stunned looked

"Everythings been my fault." Barb said

She hugged her legs and laid her head down. Sid put his hand on her back for comfort

"Nothings been your fault. Carol is being stupid. That's what's wrong. You've done nothing wrong." Sid told her

Barb looked at him in doubt. Sid saw no emotion in her eyes. Just tears, but no emotion. It kind of scared him

"Whatever Carol did to you must've messed you up." Sid said

"Let's just go to your place already." Barb said

She stood up and walked away. Sid sighed and followed her

They arrived. Barb looked around and went to the bathroom. Sid grabbed her arm. Barb flinched. Sid understood why and immediately let go

"Where are you going?" Sid asked

Barb hesitated and took a deep breath

"Y-your bathroom?" Barb said, uncertain

"Why?" Sid asked

"To use the bathroom." Barb answered with sarcasm

"Oh right. I feel kind of stupid now. Uhh it's the last door to the

right." Sid told her

"Yeah thanks man." Barb said

Barb went inside Sids bathroom and started looking around for something. She saw something out of the corner of her eye. Barb turned to look at it and saw a blade

"Why would Sid have this out in the-"

Barb stopped talking. She probably knew what it was for. Barb looked at Sids razor and the shower and felt like puking. But this one hasn't been used yet. She could tell

Barb grabbed the blade and looked into the mirror. She was an absolute mess. Barb pressed the blade against her arm. She felt a pain in her arm. Barb looked in the mirror and saw blood coming out of her arm

Barb then put the blade on her wrist till she heard a loud bang from the vents. Barb then stopped. She put the blade down and looked at the vents.

There was no way Carol found her already. Right?

Chapter 12

Barb grabbed the closet thing she could find and stared at the vents as the banging got louder. The vent flew off its hinges and hit the door. Barb felt an immediate fear

She saw someone come out of the vents. Someone she didn't expect to see. It was....

"P-Poppy?" Barb said, she was surprised to even see her

The Troll looked at her with a smile

"Barb! I'm so glad you're ok." Poppy said

They hugged

Poppy noticed the cut on Barbs arm that she made

"Oh no! What happened?" Poppy asked

"Umm.."

Barb immediately covered the cut

"It-it's nothing Pop-Squeak." Barb said

Poppy looked worried

"What...what happened while I was gone?" Poppy asked

Barb looked at her. She didn't know how to explain. So many things had happened. Barb didn't want to talk about it. She didn't want to relive it

"A-a lot happened. I don't want to talk about it." Barb said

Poppy noticed the hickey and bruises on Barb

"Hey, it's ok. She won't touch you again, ok? You're safe. No one is

going to hurt you." Poppy said

The two of them hugged again. Poppy patted Barbs bare back. She knew Barb was completely shirtless. Poppy sighed and gave Barb a tight hug

"You don't have to tell me everything, but what happened?" Poppy asked again

"Umm..."

Barb rubbed her arm

"Carol...she- we- it was terrible Poppy. She-she's been treating me like a toy! I-I've been.....I've even been questioning my own life." Barb said

Poppy saw tears coming from her eyes

"Ohh Barb. It's ok. Hey here's an idea. One where she'll never find us." Poppy said

She grabbed Barbs hands. Poppy put her hand on Barb cheek for her to look

"We'll run away together. You'll never have to worry about her again. Because we'll get to her first." Poppy said with a smile

Barb whipped her tears

"What do you mean?" Barb asked

"Let's just day I know a guy who knows a guy that will get rid of Carol." Poppy said

Barb seemed to like what Poppy was talking about

"Can we go see him?" Barb asked

"Of course! COME ON!!" Poppy said with a smile

They left from the vent that Poppy came from. Barb missed her. She was glad Poppy was back. She missed her positivity, her touch, her

smile, her eyes, everything. And it was back, her girlfriend was back, and that's all that mattered to Barb

---

They both successfully got out. Poppy and Barb both held hands as they continued to leave. Barb kind of felt a bit anxious as did. What if Carol saw? Poppy noticed the uneasy feeling

"You ok?" Poppy asked

"Yeah....yeah...umm what's your friends name?" Barb asked, trying to change the subject

"Oh! His name is Buddy, Buddy Flirtwood." Poppy answered

"Buddy....Flirtwood...." Barb said

"Yeah! He's very nice. He deals with this stuff all the time." Poppy said

Barb has her doubts

"He's dealt with crazy friends obsessing over the other?" Barb asked

"Yeah! He knows how to get rid of it." Poppy said

Barb liked the sound of that

"We'll run away together right after." Barb said with a smile

"That's for sure. I love you Barbie." Poppy smiled

"Yeah, I love you too Popcorn." Barb said with a smile

They continued to go to Poppy's friends. Poppy would obviously talk for Barb. Poppy was just so glad to be reunited with her again. She missed Barbs voice

Chapter 13

The two continued to walk. Poppy noticed the expression on Barbs face. She looked almost scared. Poppy held her hand for comfort

"You ok?" Poppy asked

"U-uhh yeah.." Barb said

They both arrived to Buddy's and went inside

"Buddy? Buddy you here?" Poppy asked

They heard a thud in the other room. Poppy noticed Barb flinch. They saw a Troll close to Smidges height.

"Buddy! You're here!" Poppy smiled

The two of them hugged

"Oh by the way, thanks for getting rid of that stab wound. I owe you one." Poppy said

"Oh it was nothing Poppy! Anything for a friend." Buddy said with a smile

"Uhh Poppy?" Barb called

Poppy turned around to Barb and smiled

"Oh Buddy! This is Barb, my girlfriend." Poppy introduced

"H-hi.." Barb waved timidly

"Hi!" Buddy smiled

"Anyway Buddy. Barb's been going through a lot. You think you could help?" Poppy asked

"What's been going on?" Buddy asked

"Well uhh..."

Poppy put her hand on Barbs shoulder and smiled. Poppy took a deep breath then looked at Buddy

"Her friend. Well more like ex-friend, has been treating Barb like a toy. She almost killed me to get to Barb. She also raped Barb, and even gave her a hickey and bruises. You can tell." Poppy said

"Hmmm..." Buddy looked around in his books

"She's also tried being nice and then she switches to a violent person." Barb added

"Seems like you're dealing with a yandere." Buddy said

"A yan-whata?" Poppy asked

"He said yandere. Try and keep up Pop-Squeak." Barb teased

Poppy playfully elbowed Barb

"There's two ways to get rid of her. You can either A- Kill her, or B- stay away and hope for the best." Buddy said

His words only made Barb panic. Poppy noticed and grabbed her hand. She rubbed her fingers gently on Barbs hand

"What do you want to do?" Poppy asked

"She won't leave me alone. She's like a virus. And you have to get rid of a virus." Barb said

Barb looked at Buddy

"I'll try to kill her. I can't guarantee it'll work, but I'll try my best. I'll face my fear." Barb said

Poppy looked at her and smiled. Buddy looked at the two and suddenly smiled

"Well I'm that case I have a few ways to get rid of her." Buddy said

They both looked at him

Poppy and Barb then left Buddy's heading to Carols place. It made Barb panic every step they took. Poppy put her hand on Barbs shoulder as they continued to walk

"Hey." Poppy suddenly said

Barb looked at her

"It'll be ok. I'll be outside if anything goes wrong. Ok?" Poppy told her

Barb took a deep breath and forced a smile

"O-ok." Barb said

They arrived at Carols. Barb was too afraid to even step towards the door. Poppy looked at Barb and noticed the fear

"Hey, everything will be ok. If anything goes wrong just yell blueberry." Poppy said

"B-blueberry? That's the code word?" Barb asked her

"What? I like blueberries." Poppy said

"Fine. Fine. I'll yell blueberry." Barb said

"Great!" Poppy stood proud

"That's so stupid.." Barb muttered under her breath

Barb approached the door and looked at the doorknob

"Ok Barbara you can do this. It'll be like visiting a dead person! Yeah sure if a dead person is waiting to have fun with you. Shut it Barb! You shut it Barb!" Barb then realized that she was talking to herself

"You going inside or do you want me to do." Poppy asked her

"I'll- Ill do it. She's my virus." Barb said

Barb then opened the door and stepped inside as she looked inside the room

"WAIT!!" Poppy yelled

Barb jumped

"Don't do that!!" Barb whisper yelled

"Right sorry. Just take this. Just in case." Poppy whispered

Poppy handed her a walkie talkie

"A walkie- are you a child Popcorn?" Barb asked in a whisper

"I think it's better than going in with just a weapon." Poppy said

"These things are loud dude!" Barb told her

"Just go! And remember it's blueberry." Poppy said

Barb saw her stand by the door outside. Barb sighed and began looking around for Carol. Barb honestly felt super anxious and uncomfortable looking for her by herself. What if Carol was already waiting for her? What if-

"I didn't expect to see you back so soon.."

Chapter 14

As Barb heard the voice her body quivered in fear. She turned around to see Carol standing there. It scared her. Barb took a step back as her back was soon against the wall

"Uhhh b-b-blue-"

Carol covered Barbs mouth

"It's so good to see you again after so long." Carol said

Barb moved Carol's hand

"It's only been a day." Barb told her

"A day far too long away from my little princess." Carol said

Carols thumb rubbed Barbs cheek

Barb took something from behind her back and shot it towards Carol. Carol grabbed the weapon in Barbs hand. It was a knife. Carol picked up Barb by her neck. She stabbed the knife into Barb's hand

---

Poppy was outside scrapbooking till she heard Barb scream in pain. She put the scrapbook in her hair. Poppy quickly ran inside and saw Barb with a knife in her hand as Carol was in front of her

"You'll be mine forever. Even if I have to hurt you for it." Carol said licking her lips

Poppy saw a spare knife on the floor. She picked it up and stabbed Carol in the back. Carol roared in pain and fell on the floor. Poppy took the knife out and put inside her hair. Poppy quickly helped Barb out and put a bandage over her hand. They quickly went to the door

"You two.....won't get away." Carol said

Carol stood up and quickly fell to the floor. Carol finally noticed Poppy and a surprised expression on her fave

"You! I THOUGHT I KILLED YOU!!" Carol yelled

"Looks like you should've paid more attention Carol. Now you should be finished off. You won't hurt Barb anymore." Poppy said

Carol smiled

"You can't keep her from me. We were meant to be together! We'll always be friends forever won't we Barb?" Carol asked with sinister smile

Barb looked at her and rubbed her arm. Poppy looked at them both

"Barb? What is she talking about?" Poppy asked

"Ummm...."

~~~

We were just kids...

A young Barb was running around Volcano Rock City with a young Carol. The two saw a few old Rock Trolls in the lava. The two shared a menacing smirk and did a cannonball into the lava

"AHHHHHH!!!" They ran out

"HAHAHA YEAH!!!" Barb smiled, doing the rock hand pose

Carol looked at Barb with a smile on her face. They got out of the lava and shook off. They saw the old people coming back, and immediately ran off

"GET BACK HERE YOU LITTLE BRATS!!" They yelled

Barb and Carol didn't listen and continued to run

"Oh man! Did you see the looks on their faces!! They were like
~~~

"AHHHHHHH!!!!" Barb said, imitating them

Carol gave a light laugh

"It was so hilarious! They didn't expect it!" Carol said

Barb smiled. She then tripped on a rock and fell face first. Carol stopped running and went back to her. Barb sat up and smiled.

"Carol." Barb spoke, she rolled underneath Carol

"You're my very best friend." Barb said

"And you're mine to Barb." Carol said

"And we'll always be friends forever. Won't we?" Barb asked

Barb put her hands on Carols shoulders

"Yeah, forever." Carol said with a smile

Barb and her looked at each other with a smile

"Hey I got an idea! Let's go swimming!" Barb said

Carol got off of her

"Give me a head start and I can beat ya!" Carol said

They got up and ran off to lava pool and jumped right in. They looked at each other and laughed

~~~

Barb looked and Carol and sighed. She didn't know what to do now. She couldn't just kill her best friend like that. Even if she was a controlling jerk now

"I-I can't do it." Barb said

"Barb. You have to." Poppy said

Barb looked at Carol again fighting herself to just do it already. She
~~~

only saw the young Carol. When they were kids. Barb only saw Carol as a kid in her vision. Carol was sitting there innocently.

"We met it seems.Such a short time ago." A voice in Barbs head said

Barb looked at Carol

"You looked at me. Needing me so"

Barb saw herself as a kid approached the young Carol

"Yet from your sadness. Our happiness grew."

"And I found out I needed you too! I remember how we used to play."

Barb saw them as kids messing with old people and crashing rock concerts. Barb smiled and then it went away

"I recall those rainy days. The fire's glow that kept us warm."

"And now I find we're both alone. Goodbye may seem forever."

A young Barb and Carol looked at themselves. The young Carol looked Barb and the young Barb looked Carol

"Farewell is like the end. But in my heart's a memory..."

"And there you'll always be.."

Barb looked at Carol and ran their younger selves as they disappeared. Barb pinned Carol against the wall and stabbed her multiple times. She released every feeling that Carol had given her. Barb was finally getting free, and she couldn't wait. Barb continued to stab her

Poppy grabbed Barb to hold her back

"Barb that's enough!" Poppy said

"NO IT'S NOT!! SHE NEVER STOPPED FOR ME!! SO I WON'T EITHER!!" Barb shouted

Barb stabbed her at least five more time to make sure she was

actually dead and threw the knife across the room. Barb looked at her old dead friend and fell to the ground and felt tears

Poppy helped Barb up as they began to leave. They closed the door and walked away. Barb turned around as they were walking and saw the young Carol and Barb playing outside

"Goodbye may seem forever. Farewell is like the end. But in my heart's a memory. And there you'll always be.."

Poppy and Barb headed back to Pop Village to get some rest. Barb needed the sleep. Poppy sighed as they continued to walk away

Chapter 15 (Finale)

Both Poppy and Barb made it back to Pop Village. Poppy held Barbs hand the entire way there. She noticed Barb didn't mean what she did

"What am I supposed to do now Poppy? I mean I'm glad I'm finally away from Carol, but now my best friend is gone." Barb said

"It'll be ok Barb. I know it was kind of a messed thing you did, but at least now you won't have to feel anxious or scared anymore." Poppy told her

Barb gave a slight smile. They went to Branch's bunker and went inside. They heard noises like a bed they thought was being jumped on, and moans.

The two looked at each other and went towards the sounds and saw Branch, Trollex, and Hickory having their little threesome

"You guys enjoying that?" Barb teased

The three stopped and immediately got under the blankets

"What are you doing here?!" Branch asked in a rush

"Barb finally got away!" Poppy smiled

Branch and his two boyfriends saw Poppy and immediately ran to her and gave his best friend a hug

"I thought you were dead." Branch said

"Nope! Fully alive. And you're naked." Poppy said

Branch looked down and covered his area

"Right, right. Sorry." Branch said, embarrassed

Barb leaned against the bed looking at Trollex

"Did you enjoy that from both angles?" She asked

Trollex face turned into a dark blue

"SH-SHUSH!!" Trollex said

Trollex hid his head under the blanket

"I didn't know you guys were coming over. WHAT IF CAROL COMES!!!" Branch said

"Don't worry about it Branch. She's not around anymore. Barb made sure of it." Poppy said

"Really? What did she do?" Branch asked, he put his shorts back on

"Stabbed her multiple times." Poppy answered

Branch looked at Poppy in a shock

"Seriously?" Branch asked again

Poppy nodded. Branch just stared at her

"Jesus." He said

Barb went over to Poppy and Branch

"You done messing with Trollex?" Poppy asked

"I think I messed with him enough." Barb said with a smile

"JERK!!" Trollex yelled from the bed

"Well we'll see you later Branch." Poppy said

"Bye!" Branch waved

The two left Branch's bunker and headed to Poppy's pod. Poppy

gave a slight glance at Barb. She missed this Barb. Where there were no worries, no problems, and not having to fear for her life

"You know since my pod is a mess. We should try cleaning it." Poppy said

Barb looked at her

"Well duh! How else are we supposed to-"

Poppy covered her mouth

"No Barb no. I mean something else." Poppy said

Barb looked at her and felt a slight blush

"O-oh." Barb said

"Only if you want to of course! I know you've been forced into it." Poppy said

Barb looked at her and smiled

"How about next time. I still want to calm down." Barb said

"That's alright. We can wait. It's your choice." Poppy said

Barb smiled and hugged Poppy

"I've missed you." Barb said

"I've missed you too Barb." Poppy said, hugging her back

The two then went to Poppy's pod. The kitchen was still a mess and Poppy's room was still destroyed

"I'll clean the kitchen and you clean the room. How's that?" Poppy said

"Yeah, we can do that." Barb said

"Great!" Poppy smiled

They went to go clean. Once they finished they sat on the couch. Barb laid her head on Poppy's lap as she fell asleep to take a nap. Poppy smiled. Barb needed some rest. Poppy ran her fingers through Barbs hair.

Poppy looked down at Barb as she took a nap as well. Everything was great. There was no problems, no worries. Everything was great
